## GCSE History Revision Advice

At CCS we follow the AQA GCSE History course.

GCSE History consists of the following units:

- **One period study – America 1920-1973 (studied in yr10/11)**
- **One thematic study – Health and the People (studied in yr10)**
- **One wider world depth study – Conflict and Tension 1918-1939 (studied in yr10)**
- **One British depth study – Elizabethan England 1568-1603 (studied in yr11)**

There are **TWO 2 hour examinations at the end of the course:**

**Paper 1 – America and Conflict.**

**Paper 2 – Health and Elizabeth.**

It is important that you are continually revisiting and revising work. With this in mind the following information has been created to guide you to additional revision tools available to you.

### **BIG TIP: Vary your Revision!**

Revision doesn't just mean reading and making notes, flashcards and mind maps. If you do the same thing all the time you will get bored. Vary your revision – have you tried:

- Using **knowledge organisers** as a starting point – these give you key information needed on each unit and used alongside the **checklists** provided can help you identify gaps in knowledge.
- **Past Paper questions** are a really good way to prepare. Your teachers will happily give feedback on any practice questions completed.
- **Teach** someone else – research shows that teaching someone key knowledge helps you remember and also improves how your explanations which will help your written work too.
- **Test yourself** – use flashcards or revision books to create quizzes to test key knowledge. If you work with a friend who studies the same subject, you could make quizzes to test each other.
- Watching **video** recaps
  - Health Playlist: [Medieval Medicine | Secondary History - Medicine Through Time \(youtube.com\)](#)
  - Conflict Playlist: [conflict and tension gcse aqa history - YouTube](#)
  - America Playlist: [AQA GCSE History Paper One: America, 1920-1973 - YouTube](#)
  - Elizabethan England Playlist: [AQA GCSE History Revision Videos - Elizabethan England \(1558-1603\) - YouTube](#)
- **Online Revision** materials (your teacher can signpost these for you).

All of these tools are useful alongside your class notes. Effective revision will use a range of resources and a range of revision techniques to optimise results.

There will also be **revision classes** timetabled in school. Your teacher will confirm the dates of these when it is closer to examinations.
